

## For your success in tracing and recovering assets worldwide!

„Crime does not pay“. What sounds so easy in theory is hard to keep in practice. Globalization has given criminals an unlimited number of possibilities especially in offshore areas to hide deprived assets.

Bernd Klose and the international experts of FraudNet deliver **comprehensive and crucial knowledge** about the possibilities of asset tracing & recovery:

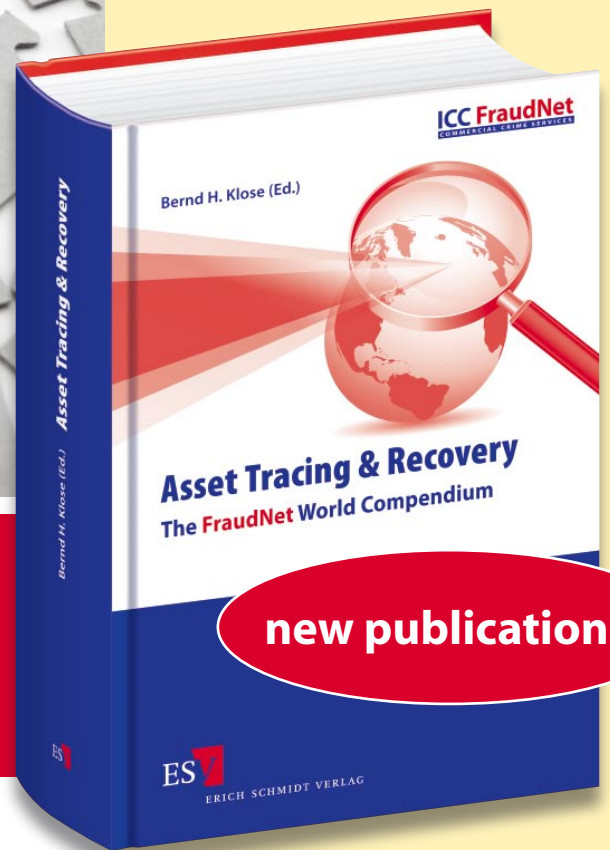

- an introduction to methods of fraud
- international available remedies
- supranational legal sources
- basics of asset tracing and recovery in common law and civil law
- respective national laws, regulations and proceedings **of over 40 countries**

- ! All addresses and country specific information are **also accessible on the internet**: A useful work of reference
- for your daily fight against fraud.

## Expert Knowledge for Your Practice

### The Editor

Bernd Klose is attorney and specialist solicitor for bankruptcy law, certified fraud examiner. For many years he is involved in investigating and recovering assets in the field of business crime. Due to his practical experiences, he holds many speeches at home and abroad e. g. International Bar Association (IBA), INSOL International, presenting the possibilities of asset tracing and recovery.

### The ICC FraudNet

Launched at the beginning of 2004, FraudNet is a unique international network of law firms that specialise in the field of fraud and white collar crime. Operating under the International Chamber of Commerce (ICC) and its anticrime arm – Commercial Crime Services – FraudNet provides effective and straightforward solutions to the increasing number of victims being targeted by fraudsters.
